But with such movies, the freshness quotient and chemistry between the lead pair is crucial. Known for his comedic flair, this would be a different kind of challenge for the veteran. You know the tropes. The stage is set for a romance between two independent and mature persons. And this film, with the eponymous title, takes up the subject from a remote village in Karimnagar, Telangana. The latest release as a Netflix Original series is by the same director Siddharth Sen Gupta. The ride will be exhilarating and pulsating. Catch the trailer here. Shyam Singha Roy Quick Details Director: Rahul Sankrityan Cast: Nani, Sai Pallavi, Kriti Shetty, Madonna Sebastian Language: Telugu Platform: Netflix Release date: January 21, 2022. Synopsis: The is a time-travel story, with the '70s-era Bengal and contemporary Hyderabad backdrop. But Putham Pudhu Kaalai Vidyaadhaa hopes to buck the trend. Catch the trailer here. Human Quick Details Director: Vipul Amrutlal Shah and Moez Singh Cast: Shefali Shah, Seema Biswas, Kirti Kulhari, Ram Kapoor, Mohan Agastya Language: Hindi Platform: Disney+ Hotstar Release date: January 14, 2022. Synopsis: This 10-episoded web series is about human clinical drug trials, a topic not explored on Indian screens before. Rohit said: "An experience that I cannot explain even through the best of phrases." The show has witnessed actors like Rana Deyubati and Sara Ali Khan in the past. Catch the trailer here. Utpaused: Naya Safar Quick Details Directors: Nupur Asthana, Ayappa KM, Shikha Mekan, Ruchir Arun, Nagraj Manjule Cast: Shreya Dhanwanthary, Priyanshu Puri, Geetanjali Kulkarni, Saqib Saleem, Ashish Verma, Sam Mohan, Neena Kulkarni, Darshana Rajendran Language: Hindi Platform: Amazon Prime Video Release date: January 21, 2022. Synopsis: Anthologies have become regular in recent times. His first movie The End was in the horror genre. That would make the offering even more interesting. The five stories are Balaji Mohan's Mugakavasa Mutham, Halitha Shameem's Loners Madhumitha's Mouname Paarvayal, Richard Anthony's Nizhal Tharun Idham, and Surya Krishna's The Mask. Anthologies have had a chequered run in Tamil so far. This film also underscores the arrival of the Kannada gangster film genre. The story of the movie revolves around lead man's almost comical struggle of widening the road of his neighborhood to provide better access to the mainland. This kind of rang true for Kapil Sharma in his show on a popular television channel. This thriller, by the looks of the trailer, looks a bit dated. This added to the talk that he is finished. Aware of those whispers, his stand-up comedy act on Netflix has been titled Kapil Sharma: I'm Not Done Yet. The episodes will see Farhan spending a day with the Rashtriya Rifle soldiers and Rohit with J&K Police's Special Operations Group in Srinagar. Farhan summed up his experience, "If I could express the feeling in one word, it would be humbling for me. But on the OTT platform, it may have a better luck as the ingredients seem good enough for what in India is usually called as 'time-pass weekend viewing'." Pavitra Rishta: Season 2 Quick Details Director: Nandita Mehra Cast: Shahid Sheikh, Ankita Lokhande, Pooja Bhamrah, Piyush Ranade, Randeep Rai Language: Hindi Platform: Zee5 Release date: January 28, 2022. Synopsis: Frankly, we are no big fan of such treacle-soaked, sentimental soaps that Ekta Kapoor made a name out of. Because, its choice of films has left a bit to be desired. But will the official machinery allow him? In the trailer, Archana and Manav go back to college. They have come across, mostly, as disjointed efforts. And Raj B Shetty, who caught our eye with his previous film Ondu Motteya Katha, is outstanding in this one, too. Catch the trailer here. Putham Pudhu Kaalai Vidyaadhaa Quick Details Directors: Balaji Mohan, Halitha Shameem, Madhumitha, Richard Anthony, Surya Krishna Cast: Gouri Kishan, Teeljay Arunasalam, Lijomol Jose, Arjun Das, Nadiya Moidu, Joju George, Aishwarya Lekshmi, Nirmal Pillai, Sananth, Dhilip Subbarayan Language: Tamil Platform: Amazon Prime Video Release date: January 14, 2021. Synopsis: Last year, we had an anthology of five Tamil shorts filmed during the pandemic with stories about hope and new beginnings. Vaani Kapoor is passable but it is the support cast that truly makes a difference. The trailer of the film can be seen here. Anbarivu Quick Details Director: Aswin Ram Cast: Hiphop Tamizha Adhi, Napoleon, Vidharth, Kashmira Pardeshi, Asha Sharath, Saikumar, Renuka Language: Tamil Platform: Disney+ Hotstar Release date: January 7, 2021. Synopsis: The thing about Hiphop Tamizha Adhi's movies is that they are always messy and decidedly formulaic. Can they reunite, and bring together the broken family? He has to make himself successful in the rat race. Though the characters speaking Hindi in an American setting is a bit off-putting. In Shyam Singha Roy, the hero is haunted by a past. The only question is can the material that is good enough for short gags be sustained for a long 10-episoded web series. The trailer of the series can be seen here. Cubicles - Season 2 Quick Details Director: Chaitanya Kumbhakorn Cast: Badri Chavan, Khushu Badri, Shivankit Singh Parihar, Deepesh Sumitra Jagdish, Sameer Saxena, Abhinav Anand Language: Hindi Platform: SonyLIV Release date: January 7, 2022. Synopsis: The TVF-helmed first season of Cubicles, released in 2019, was hugely popular. Though this weekend, admittedly, is a bit less rushed in terms of new offerings on the streamers. The trailer also came across as a bit tacky and loud. As it happens, the Minister is targeted by the bad elements to settle some old scores. It would be surprising if it did not. She is cast, unambiguously, as a dancer. In its theatrical run, the other two women in the film Kriti Shetty and Madonna Sebastian's performances also received good mention from the audience. Catch the trailer here. Mission Frontline Quick Details Director: Kunal Kochhar Cast: Farhan Akhtar, Rohit Shetty Language: Hindi Platform: Discovery+ Release date: January 20, 2022. The Republic Day is around the corner. The unpretentious mom then sets out to find the killers of her son and the reason for the murder. Set in Mangaluru, the film is a sharp examination of masculinity and brotherhood, destiny and ambition. Among South Indian films, Kannada has lagged behind the other three. But this film would provide worthy competition to the offerings from Malayalam, Tamil and Telugu film industries. We need those laughs. Tadap Quick Details Director: Milan Luthria Cast: Ahan Shetty, Tara Sutaria, Suniel Shetty, Sikandar Kher, Sharat Saxena, Amit Sadh Language: Hindi Platform: Disney+ Hotstar Release date: January 28, 2022. Synopsis: Star sons are usually launched in films that had usually succeeded in other languages. As Sai Pallavi is in the list, a good song and dance is confirmed. Basically, it is alleged that he is the one who 'ordered' the attack that was carried out by a bunch of henchmen. They kidnap the Minister's daughter. But she doesn't know that he is a commando kind. As the title of the series would make it clear, it was about the life and experiences of a corporate employee. The story is about a secret agent who is in love with the daughter of the State's Home Minister. While they try to keep away from each other and even find new love in their respective lives, they seem to have eyes only for each other. Barun Rai and the House on the Cliff Quick Details Director: Sam Bhattacherjee Cast: Priyanshu Chatterjee, Nyra Banerjee, Sid Makkar Language: Hindi Platform: Eros Now Release date: January 28, 2022. Synopsis: Set in the 1970s, the six-episode series is the story of a couple who move into their dream home in America not knowing that a spate of mysterious suicides is plaguing the area. Alarmed by the high rate of unexplained deaths, the pair seek answers from detective Barun Rai, said to be a specialist investigator famed for unravelling paranormal crimes. If you are into the horror category, this show will be right up your alley. But there is something to them that make them interesting to watch. The small village with unpretentious people are ill-prepared for a potential global calamity. Eventually, it dropped somewhere in Australia without causing any harm to anyone. But for a few days the world was on an edge. The pairing seems organic, and that is why when the film was released in theatres recently it had a decent run. The trailer of the film can be seen here. Keshu Ee Veedinte Nadhan Quick Details Director: Nadirsha Cast: Dileep, Urvasi, Harishree Ashokan, Kalabhavan Shajon, Harish Kanaran, Jafar Idukki Language: Malayalam Platform: Disney+ Hotstar Release date: December 31, 2021. Synopsis: These are strange times for Malayalam actor Dileep, who not long ago was a top star. The trailer seems to suggest that the makers are going beyond the usual fun, love and games of students to focus on some serious issues like ragging, discrimination based on societal biases, unrequited love, drug abuse and toxic relationships that are inevitable in the rites of passage of growing up in an university campus. The trailer of the series can be seen here. Varudu Kaavalenu Quick Details Director: Lakshmi Sowjanya Cast: Naga Shaurya, Ritu Varma, Murali Sharma, Nadiya, Jayaprakash, Vennela Kishore, Praveen Language: Telugu Platform: Zee5 Release date: January 7, 2022. Synopsis: Breezy romantic entertainers are meant for weekend viewing. The director's dexterity lies in fusing the diverse strands into an agreeable whole that brings a wry smile to the viewers' faces. Naga Shaurya and Ritu Varma, the leads in question, surely look fresh. Basically, he takes on the evil guys and finishes them off in the climax. For, we just have had a clutch of big Pongal/Sankranti and R-Day releases. But some stretches of the film really offer a peep into how the police force functions without much of a heart. With a cast that includes Sanjay Mishra, Vijay Raaz, Manoj Joshi, things are bound to be 'relishably' realistic. Catch the film's trailer here. Bheemante Vazhi Quick Details Director: Ashraf Hamza Cast: Kunchacko Boban, Jinu Joseph, Megha Thomas, Divya M Nair, Chemban Vinod Jose, Suraj Venjaramoodu Language: Malayalam Platform: Amazon Prime Video Release date: December 30, 2021. Synopsis: Though we have mentioned only 5 films in the headline, we are adding a 6th one to our list as a year-end surprise bonus. This is a typical unpretentious slow comedy movie that Malayalam cinema has become famous for. This should be, on the evidence of the trailer, a slow-burn thriller. Interestingly, the film also marks the debut of him as a music composer. The matter is in court and a verdict is expected soon. Ahan Shetty, son of Suniel Shetty, has got one such typical debut vehicle. We use the word 'vehicle' advisedly here as Tadap is an official remake of the Telugu film named: RX100. Then again, like all first films this one too banks heavily on action and romance — two of the fail-safe items in such movies. But his challenges and problems are different. Murder at Teesri Manzil 302 is such film. The thing is it has been lying the cans for over a decade. The film had its theatrical release in December, and did not exactly set the cash registers ringing. He was the one who played the now iconic Quick Gun Murugan character. The makers of this series have been milking the emotions that the late actor enjoys among the public. Pavitra Rishta Season 1 as a series was basically just a reboot of the original TV show. Raja Vikramarka is among its big releases for the season. Danish Sait's strength is his observational ability, and his characters are decidedly real and his depictions have a natural comedic flair. The serial was the remake of the Tamil show 'Thirumathi Selvam'. This was the serial through which actor Sushant Singh Rajput made a name for himself, and later became a Bollywood star before unfortunately taking his own life in June 2020. Perhaps that is what makes the film tick. Catch the trailer here. He is young, urban film director and a Bengali social reformer. The director Rahul Sankrityan seems to like a thing or two about being 'possessed'. As the couple grow closer, the lady reveals that she is a trans woman, which horrifies the guy, who finds it tough to accept. The movie hit the marquee on December 10 and received mixed reviews with some of the nay-sayers wondering why a trans woman didn't play the role and why it had to be a woman. The shadow of which of the two films will linger more on Senpathi would be interesting to watch. It has Anchal Singh and the excellent Surya Sharma from the Undekhi starcast playing key roles as well. The story of obsessive love, as evident from the title (from SRK's Baazigar) has a man attempting to resist the advances of a woman who pursued her since school. It was titled Putham Pudhu Kaalai. The film as such will have Dileep in yet another of his face-altering make-up, and coming up with his usual bag of comedy schticks. For various reasons it could not see the light of the day. But the unofficial word is that it will be launched tomorrow with the Tamil film Writer, which had its theatrical run last month. One of the unfortunate trends in Tamil cinema in recent years is that it has become too preachy with its tone too loud, while harbouring a tendency to talk down to its audience. The two had separated after marriage in the last season. Now, going by the trailer, Piyush is well-established in his job. In any case, it has Irrfan, whose acting in any case is timeless. Catch the film's trailer here. Kaaval Quick Details Director: Nithin Renji Panicker Cast: Suresh Gopi, Renji Panicker, Rachel David, Evan Anil Language: Malayalam Platform: Netflix Release date: December 27, 2021. Synopsis: Ranji Panicker as a writer, and Suresh Gopi as an actor, together have been part of several masala potboilers in the 90s and better 2000s. It is fun, in a strange sort of way, Akhanda, which has had a successful theatrical run, promises all those typical Balakrishna fare. It satirises politicians who exploit the system. Kapil, in his typical Haryana-Punjab bell humour, bares his soul as he talks about his desire to keep reinventing himself and pushing his creativity. There is no better news, especially in these troubled times, than a comic being not done yet. This kind of introspective look mostly work. For, the hero doesn't bring to the table the fame physical strength of Mahabhartha hero. But in a case of attack on an actress, he is one of the accused. And Danish Sait is not afraid of that. There is also a small suspenseful twist to the tale, exactly the kind that the films of the duo were famous for in the past. Catch the film's trailer here. Senpathi Quick Details Director: Pavan Sadineni Cast: Rajendra Prasad, Naresh Agastya, Gnaneswari Kandregula, Harshavardhan, Keshav Deepak, and Rakendru Mouli Language: Aha Release date: December 31, 2021. Synopsis: Going by the trailer, Senpathi looks to be inspired by the Tamil film 8 Thottakkal, which itself was based on Akira Kurosawa's Stray Dog. But the story of the movie is topical. How his drastic steps pans out for the families is what the series is about. Catch the trailer here. Skylab Quick Details Director: Vishvak Khanderao Cast: Nithya Menen, Satyadev Kancharana, Rahul Ramakrishna Language: Telugu Platform: SonyLIV Release date: January 14, 2021. Synopsis: Back in the late 70s, there was a global tizzy as the American space station Skylab was on a free fall. In this

show, the Hindi comic reminiscs about his past, opens up about his family, his social media missteps and his love for music and theater. It know the series maintains both a funny as well as an emotional tone to the events. But take away a tendency to lapse into Kannada patois, Noproj and his politics is pan-India. It is why Humble Politician Noproj, which was a Kannada film in 2018, has now a new and fresh avatar in English as a web series as Humble Politiciann Noproj.Danish Sait, in his videos, is an equal opportunity offender, in that he takes potshots at all. This lends itself to easy comedy and fun. Writer, though, its heart is in its right place, is one of those now regular message movies. For, it was shot as far back as 2007. Should be good for weekend laughs.Catch the film's trailer here.Murder at Teesri Manzil 302Quick DetailsDirection: Navneet Baz SainiCast: Irrfan Khan, Ranvir Shorey, Deepal Shaw, Lucky AliLanguage: HindiPlatform: Zee5Release date: December 31, 2021.Synopsis: Irrfan Khan was one actor who left an indelible imprint in whatever role he essayed, no matter how bad the film was. He and the director Nadirsha are known for their flair for such slapstick larks. Anbarivu, going by the trailer, is going to be no different.It is about two brothers, actually twins, separated at birth, who are raised separately and differently due to family differences and political power play. Or whether to give him the benefit of doubt till the court decides one way or the other. But as an OTT platform it has not managed to create much buzz. Overcome by guilt and regret, he wants to save the young man. Dileep won his spurs as an actor through such roles. For a masala movie, the pace is a bit slow, but it seems to be a conscious decision of the director who has taken into account the age of the senior pros leading the cast. He also has to be one-up on the office politics. We had five big releases --- all of them from South India.For our usual weekly list, we have cast the net wide. It portrayed tale of Piyush, who is into his first job and the changes it brings along. Considering the success of the series, the second season was inevitable. The hero now has to save his lover and also unravel the back story between the villain and the Minister.Catch the trailer here.Garuda Gamana Vrishabha VahanaQuick DetailsDirector: Raj B ShettyCast: Raj B Shetty, Rishab ShettyLanguage: KannadaPlatform: Zee5Release date: January 13, 2021.Synopsis: This was probably the best film in Kannada last year. The film was to have a theatrical release. Raja VikramarkaQuick DetailsDirector: Sri SaripalliCast: Kartikeya Gummakonda, Tanya Ravichandran, Pasupathy, Tanikella Bharani, P Sai KumarLanguage: TeluguPlatform: SunNXTRelease date: January 13, 2022.Synopsis: The Sun network is among the biggest ones in India, with a prominent position in South India. It is a story that is situated in Malayalam land, both literally and metaphorically.Talking of metaphors, the name Bheem is also used in that sense. Bhoothakaalam may not be a reprise of that film. But they have also been criticised for being patchy and uneven. People are conflicted whether to watch a movie lead by a man accused of orchestrating a heinous sexual attack on a fellow actress and got that filmed. You also know the elements and emotions that come with it.The trailer of the film can be seen here.Humble Politiciann NograjQuick DetailsDirector: Saad KhanCast: Danish Sait, Prakash BelawadiLanguage: EnglishPlatform: Voot SelectRelease date: January 6, 2022.Synopsis: Danish Sait, a well-known comic in Karnataka, hit the national prominence during the lockdown as his one-minute videos with a gaggle of idiosyncratic characters. Jaya, Ramamurthy 'Avarre' et al, became a big hit. Interestingly, the hero Nani plays a double role. However, it was a tailor-made role for Ayushmann Khurana who had a bronzed up physique to play the gym owner. A 'writer' at a police station gets trapped in an illegal custody case involving an innocent student. Critics lavished praise on the film for its Korean film-like treatment to an essential Indian story. Suresh Gopi as an actor has cut down on his outings, while Ranji Panicker, in the meantime, has become an actor in his own right.The two veterans have come together for a typical potboiler directed by, as it happens, Panicker's son Nithin Renji Panicker. The film has had a theatrical release and is already streaming on Netflix. And to ring in the spirit of the occasion, Farhan Akhtar and Rohit Shetty will be seen in new episodes of Mission Frontline. But we have to admit that when Pavitra Rishta ran on television as a daily soap for six years, it was deemed a big success. And the comic took a break. Shane Nigam plays the son. But the resurgent Covid-19 wave has put paid to the plans.Catch the trailer here.AkhandaQuick DetailsDirector: Boyapati SreenuCast: Nandamuri Balakrishna, Pragya Jaiswal, Jagapathi Babu, SrikanthLanguage: TeluguPlatform: Disney+ HotstarRelease date: January 21, 2022.Synopsis: Telugu star Balakrishna's films are unabashedly over the top masala offerings that stretch the limits of our credulity and incredulity alike. The larger plot is about a honest cop accidentally losing his service pistol that ultimately lands into the hands of a man, who goes on a killing spree.The crime drama marks the OTT debut of actor Rajendra Prasad. And his character is an amiable architect who is back in India after a stint abroad. There was fear and anxiety everywhere over where the gargantuan object from the space would smash into. For, these elements work for him. For humour to be relevant, it has to throw jabs at current politicians. But now it is set to emerge from its darkness. We have decided to feature his film in this column as the court is still to pronounce its verdict. The series celebrates the valour of the armed forces. It should be made clear that the two will not be appearing together. But the young actor knows what he is doing. Don't bother answering the question. But the trailer of the film also suggests a psychological ride involving a woman and son. For that alone, this film deserves to be applauded.Our recommendations from previous weeksBhoothakaalamQuick DetailsDirector: Rahul SadasivanCast: Shane Nigam, Revathy, Saiju Kurup, James Eliya, Athira Patel, Abhiram RadhakrishnanLanguage: MalayalamPlatform: SonyLIVRelease date: Jan 21, 2021.Synopsis: Last year, veteran actress Revathy had a Telugu release, Itu Amma, in which she played a traumatised widowed mom who loses her son under mysterious circumstances. As with the first one, this anthology has stories helmed by five different directors. But quite unlike the first one, we have a couple of Malayalam directors and actors in the reckoning here. It is about two friends who rise together but turn bitter enemies resulting in their own downfall and destruction. Unpaused in its first offering last year, featuring 5 stories, was at best middling.
